

Pike Stand + Enclosure

Pike is a new evolution in the ArmorActive product line, with the iPad stand and iPad enclosure included as an all-in-one solution. The Pike provides you with options, that is the key product feature. Made to be used at a table stand for iPad, as well as an iPad POS register. The Pike iPad POS stand also works with multiple iPad POS dongles including: Square, PayPal, ID Tech Shuttle and Unimag I or II, Magtek iDynamo and uDynamo.

Pike Stand + Enclosure

All-in-One and ready right out of the box. Sitting on a swivel base the Pike rotates to create an interactive experience perfect for simple POS systems. Affordable and durable design that is great for a simple iOS set up.
