

Evolve Enclosure iPad

With the Evolve iPad kiosk, you can decide to have access to the iPad buttons or not by simply adding the custom inserts upon assembly. The iPad kiosk will work with open or closed home button access and in landscape and portrait orientations.

Evolve iPad

Stylish and lightweight design. Sleek design allows for comfortable handheld mobility. Attaches to industry standard VESA mounts for full kiosk mode capability. Interchangeable port cover pieces to allow access or keep tamper resistant.

Additional Details

- Smooth contour for handheld use
- Tamper resistant metal faceplate
- Mounts in portrait or landscape orientation
- Lightweight
